

A photograph of a bedroom interior. On the left, a wall-mounted lamp with a brass-colored base and a beige, textured lampshade with a red scalloped edge. The wall is covered in light blue wallpaper with a delicate green vine and leaf pattern. To the right, the curved headboard of a bed is visible, featuring a red and white vertical striped pattern with a red piping detail along the top edge. Below the headboard, a white sheet and a green patterned pillow are partially visible.
